Product Description

STIHL RM 655 V Push Mower

Featuring a mono-comfort handlebar that allows for convenient, unobstructed access to the polymer grass bag, the STIHL RM 655 V is a durable mower ideal for homeowners. The handlebar folds flat for convenient storage or maintenance, and the polymer grass bag directs air and dust away from the operator. The Vario Drive self-propel system enables you to select your ground speed. The STIHL RM 655 V gives you powerful performance and convenience.
