Product Description

Toro 21" Recycler® Self-Propel Gas Lawn Mower - 21321

The Toro Recycler series is a patented cutting technology that brings an innovative mulching technique that make your clippings ultra-fine to provide moisture and nutrients that feedback into your lawn. We call these nutrient-rich grass clippings, LawnVitamins™. The Toro Recycler® 21 in. Self-Propelled Gas Lawn Mower features variable-speed functionality and rear wheel drive with a 140cc Briggs & Stratton engine. Great for homeowners seeking a lawn mower with a high-quality, user-friendly design. Toro products are known for smart features and proven dependability you can count on. No oil changes for the life of the engine. Just Top if Off. **Choose the right fuel** for your mower. For best starting results use Non-ethanol fuel with an octane rating of 87 or higher. Use fresh fuel less than 30 days old, and add fuel stabilizer to reduce starting problems. Do not mix oil with gas.

- Self-Propelled mower with a 2-point height of cut that allows for quick deck adjusting to keep an even cut.
 - 3-in-1 Versatility - Mulching, bagging or discharging system for your mowing preference.
 - Feed Your Lawn - The ultra-fine clippings, Lawn Vitamins™, nourish your grass and cultivate a greener, more lush lawn.
 - Hassle-free maintenance with no oil change ever.
 - Download the MyToro app from your mobile device's app store for easy access to product resources, including manuals, how-to's, and more
-
