Product Description

STIHL BGE 71 Corded Electric Handheld Blower

This is a versatile electric handheld blower for clearing leaves and grass clippings from driveways and sidewalks.

With its two-speed, handle-mounted switch, the STIHL BGE 71 gives you the power you need, when you need it. Even on maximum speed, this versatile electric leaf blower produces low noise and zero exhaust emissions, perfect for use outdoors in quiet residential or commercial office settings. It also features a built-in cord retainer to help keep you connected. With optional kits, you can even convert it into a vacuum or gutter cleaner.
