Product Description

STIHL FCS-KM Straight Lawn Edger

This STIHL KombiSystem straight lawn edger attachment cleans up edges with more power and an open guard design.

When your landscaping lines are overrun with dense growth, choose the FCS straight lawn edger attachment. This STIHL KombiSystem attachment delivers more power to the cut and features a depth control wheel for greater precision. It also features an open guard design for smoother cutting and less clogging. When messy lines cross the line, STIHL KombiSystem has the solution.
