Product Description

STIHL FSA 110 R Battery Powered Grass Trimmer (Unit Only)

FSA 110 R battery brushcutter: quiet, lightweight and powerful for professional and demanding home trim work

The FSA 110 R features the innovative Rapid Click System that allows users to change trimming heads at the click of a button, making this professional model ideal for a diverse range of jobs. It comes with the Advanced EasySpool™ trimming head with rapid line replacement technology that helps users respool the trimmer head with a simple twisting action that reduces downtime and the pains of respooling. The 16" cutting width and long run times provide powerful performance for taking on tough jobs. The FSA 110 R is optimized for user comfort with an exceptional balanced design along with a toolless adjustable loop handle.

The powerful STIHL FSA 110 R battery trimmer, part of the STIHL AP System, is suitable for professional trimming work in small businesses, such as building management, and for demanding work at home.
