Product Description

STIHL FSA 120 R Battery Powered Grass Trimmer

The FSA 120 R trimmer is virtually maintenance-free and features a loop-handle design.

The FSA 120 R features 40% more power than the previous model and is virtually maintenance-free thanks to its brushless motor. Compatible with AP System batteries, this powerful trimmer offers a loop-handle design with quick release for easy height adjustment. Choose from either line heads or grass cutting blade attachments with automatic speed adjustments for each option.

This tool is IPX4-rated weather-resistant construction and has been designed and tested for splash water protection.
