Product Description

STIHL HLA 40 Battery Powered Extended-Reach Hedge Trimmer (HLA 40 SET)

The STIHL HLA 40 battery-powered hedge trimmer is designed for consumers who want professional results with easy handling of product. With a maximum reach of 8.5 feet and a lightweight telescopic shaft, you can trim tall hedges and hard-to-reach areas. The articulating swivel head gives users 115° of adjustment, making it easy to shape bushes, tidy fence lines, and maintain garden borders. Powered by the AS 2 battery system, the HLA 40 delivers up to 40 minutes of run time and weighs just 8.2 lbs. with the battery installed-perfect for comfortable, extended use.

Features

- Lightweight battery long-reach hedge trimmer with exceptionally long reach
- Set w/AS 2 battery and ALS 31 charger
- For working in a homeowner environment
- For trimming hedges, shrubs and ground cover
- Excellent cutting performance and easy blade adjustment
- Easy to handle and simple to use
