Product Description

STIHL HLA 66 Battery Powered extended-reach Hedge Trimmer

The HLA 66 extended-reach hedge trimmer provides the STIHL power and performance pros demand-all with the green benefits of battery power. Quiet operation allows you to work earlier in the morning and later in the evening, as well as tackle jobs in noise-sensitive locations. Its 115-degree articulating head with 20-inch cutter bar gives you the versatility you need to match the angle of the cutter bar to the task at hand. With its low-maintenance brushless motor and variable-speed trigger, the HLA 66 has the power and control needed to get the job done. This tool is IPX4-rated weather-resistan

Features

- Tool only without battery and charger
- Lightweight battery long-reach hedge trimmer with adjustable cutter bar
- For tall and wide hedges and ground covering plants
- Excellent cutting performance provided by double-sided blades
- Easy to handle and simple to use
- High manoeuvrability even in tight spots thanks to the loop handle
