### **Product Description**

#### **STIHL HLA135/0-145 DEGREE HEDGE TRIMMER**

More power, less emissions. The FS 56 RC-E trimmer features a high-performance, fuel-efficient engine that runs cleaner and smoother and provides about 5% more power than the previous model. When it's not squeezing every last ounce of performance from its upright fuel tank, this straight-shaft grass trimmer keeps the weeds at bay, thanks to its AutoCut cutting head. This straight-shaft grass trimmer features a fuel-efficient engine and STIHL Easy2Start technology, making starting nearly effortless. With its simple, reliable, and convenient starting procedure with a momentary stop switch whi

### **Features**

- High-powered gas line trimmer for use in large areas
- For professionals and homeowners
- Easy starting thanks to STIHL ErgoStart
- Loop handle supports trimming in tight spaces
- Basic harness for lighter work
