### **Product Description**

#### **STIHL HLA56 HEDGE TRIMMER KIT (AK20) (HLA56 KIT (AK20))**

The FSA 60 R gives users exceptional performance in a lightweight design. Its brushless motor virtually eliminates the need for maintenance, so you can relax and enjoy the clean and quiet benefits of battery power. Optimally paired with the AK 20 battery, the FSA 60 R has a run time of up to 25 minutes\* On A Single Charge. The trimmer comes standard with the AutoCut C 6-2 featuring EasySpool which allows the mowing head to be respooled without disassembling the mowing head. Alternatively, the trimmer may be equipped with optional STIHL PolyCut 6-2 or DuroCut 5-2 mowing heads. With a variab
