### Product Description

#### STIHL HS82R/24 HEDGE TRIMMER

When you need more power to cut through your landscaping tasks, the STIHL FS 111 R trimmer has the extra muscle you're looking for. Its low exhaust emission engine is powerful and provides 30% longer run times than the previous model. This professional trimmer features a three-step starting procedure that saves time and a vertical pleated paper air filter for extended service intervals. It also features a rubberized loop handle, providing a comfortable grip for working with ease while cutting. Note: Not available for purchase or delivery in California

### Features

- Powerful gas brushcutter with STIHL 4-MIX engine
- Loop handle supports trimming in tight spaces
- Long running times thanks to the large fuel tank capacity
- Ideal for working on large areas of tough grass
- For professionals in horticulture and landscaping and demanding domestic users
