### Product Description

#### STIHL HSA 40 Battery Powered Hedge Trimmer (HSA40)

Built with a compact, lightweight design, the HSA 40 battery-powered hedge trimmer is the ideal tool for small yards. The laser-cut, diamond-ground double-sided blades offer optimal maneuverability and clean cuts. The onboard LED indicator lights keep you informed about your battery levels as you tackle overgrown hedges and shrubs. The HSA 40 homeowner hedge trimmer can run up to 80 minutes,\* giving you a long-lasting entry-level hedge trimmer for your yard. \*Depicts total run time with two AS 2 batteries included in set.

### Features

- Tool only without battery and charger
- Lightweight battery hedge trimmer for excellent cutting performance
- For trimming bushes and hedges in residential areas
- Precision performance thanks to laser-cut, diamond-ground and hardened blades
- Screw-on tip protector for easy handling
