Product Description

STIHL KB-KM Bristle Brush Attachment

This STIHL YARD BOSS® bristle brush attachment makes quick work of sweeping jobs on walkways and other paved surfaces.

Sweep with authority. The bristle brush attachment for the STIHL YARD BOSS® yard care system features durable nylon bristles and a wide sweeping surface —one pass covers an area up to 24" wide. From clearing leaves on walkways and driveways to fluffing artificial turf, this bristle broom makes a clean sweep of big cleanup jobs. Pair it with the MM Wheel Kit accessory for ultimate convenience and maneuverability.
