Product Description

STIHL MS 162 Chainsaw - 16"

STIHL MS 162 chainsaw: lightweight, powerful, and efficient. Perfect for home use with an ergonomic design, and robust performance for its class.

The MS 162 chainsaw is optimal for homeowners and occasional use. It is lightweight and maneuverable features reduced exhaust emissions and an anti-vibration system for increased operator comfort. The Master Control Lever™ allows you to operate the choke, throttle lock, and on-off switch with a single lever making this tool an ideal homeowner chainsaw.
