Product Description

STIHL MS 182 Chainsaw - 16"

This powerful, easy-to-use homeowner chainsaw is ideal for woodcutting tasks around the home.

The MS 182 is a powerful, easy-to-use homeowner chainsaw that gives you performance you can depend on. This chainsaw is equipped with toolless fuel and oil caps with retainers, offering a simple and convenient method to tighten and loosen oil caps without the use of tools. Featuring a Master Control Lever™ and an anti-vibration system, the MS 182 is designed to reduce fatigue while offering more control and maneuverability, making it the ideal tool for woodcutting tasks around the home.
