Product Description

STIHL MS 362 C-M Chainsaw - 18"

The optimum combination of torque, power, and weight come with the engine performance benefits of STIHL M-Tronic™ technology in this saw.

Brains and brawn come together in this well-rounded professional chainsaw. The MS 362 C-M features the same great power, weight, and fuel efficiency as the MS 362, but it also features exclusive STIHL M-Tronic™ engine management technology. This innovative microprocessor-controlled engine management system optimizes engine performance and compensates for changes in operating conditions, such as temperature, elevation, fuel quality, and dirty air filters. It makes sure you're working with optimal cutting power in any cutting condition.
