Product Description

STIHL MSA 70 C-B Battery Powered Chainsaw - 12"

The MSA 70 C-B is the ideal battery-powered chainsaw for homeowners and replaces the MSA 140 C-B. It's a lightweight saw with an ergonomic design that offers users excellent cutting performance.

With an updated design, the MSA 70 C-B delivers excellent performance in a lightweight chainsaw that works alongside you to help maintain your yard. Get the job done faster with the Quick Chain Adjuster that allows you to adjust chain tension on the spot, and experience smooth cutting with the OILOMATIC® STIHL PICCO™ Micro™ 3 saw chain. The MSA 70 C-B features a variable-speed trigger, can run for up to 45 minutes when paired with the AK 30, and packs plenty of power for general yard maintenance and firewood cutting.

The set comes with the AK 30 battery and AL 101 charger in the box.

Run time may vary based on battery type, charge level and capacity, model, operating style, and conditions. Batteries and chargers can be purchased separately or as a combined set with tool.
