Product Description

STIHL PS 1 POWER BANK AND CHARGER (PS1)

The PS 1 three-in-one power bank, charger, and self-standing LED flashlight packs on-the-go power in the palm of your hands. Whether you're charging AA batteries, phones, operating heated clothing, or illuminating a workspace, this compact power source provides the ideal combination of portability and function. The convenient metal clip easily hooks onto belt loops or backpacks, and the easy-to-read display shows charge levels and status errors. Pack this must-have device on your next outdoor excursion or keep it on hand for emergencies.

Features

- Lightweight, compact, portable power supply
- Charge and operate smartphones, tablets, heated clothing and more
- Integrated 2-setting LED flashlight
