Product Description

STIHL RZ 972 Series Gasoline Zero-Turn Mower (RZ972.OI)

The STIHL RZ 972i is built for hard work and operator comfort featuring an extra-wide, 72" deck and four-wheel innovative suspension system with mowing deck height compensation that create a smooth, stable ride. The Vanguard Electronic Fuel Injection (EFI) engine with Oil Guard provides fuel efficiency and extends maintenance intervals. Built with heavy-duty, commercial grade materials and components, this mower is made to take on tough jobs. Note: Not available for purchase or delivery in California
